

The Bible vs. World Religion

This month I am sharing a conversation between myself and a person in a different Religion, but mostly he hopes to defeat the notion of God and Jesus, whose purpose is said to worship the creator, though once you began to talk with them, it seems to be that the foundation is to remember slavery, and be bitter, and to destroy Christianity. One such person use to believe in the Word of God, but since the change and their beautiful smile is gone. As you will see, this religion is built mostly upon lies. Jesus said perilous times shall come and spoke of antichrist spirits who forbid to eat meat. This is one such case.

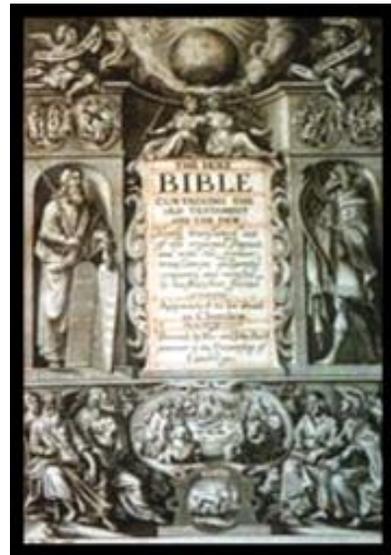

Deborah Simmons-Garcia I have a conversation with Christ of Christianity every day. He has risen me from the dead, yes I was pronounced dead, and the name of Jesus raised me up. He has healed me of cancer twice, the doctors proclaimed and the name killed cancer and spoken to people in a language that they knew, and I did not and they understood.

Deborah Simmons-Garcia What has your god done?

KL: And I have a conversation with the boogie man every day, you healed yourself of cancer and you want to give the credit to someone, my god has given me understanding go know that we weren't Christians before the slave master brought us over here but our religion was beaten out because it was so called evil and now some people still believe their own religion is evil because the slave master had rapped some people enough to where the feel in love with the master and will fight to defend the master... Not me I have been reborn again, I have a clean vegan diet, I treat people like I want to be treated, but I'm not about to worship any idol Gods other than my creator.

Deborah Simmons-Garcia No person can heal themselves of cancer. I asked the LORD, and five doctors were surprised that I didn't die. Someone may have deceived you into believing in this religion, but for me, I have to interact with my God. I don't want to just talk about Him, I have to know and experience Him. Blacks are looking for identity, but you will never find out more about yourself than you will with the God (Jesus Christ) we introduced you to my son. Just pray, even today, many Muslims are hearing from Jesus without realizing that he was real before. Thousands of Muslims are being baptized and are changed by supernatural experiences. Not by war and killing and maiming as was the way that Islam came to be. You asked where to start, if you have a computer, look up Islam. They will even tell you about it, but Jesus Christ has converted Muslims all over the Middle East, Iran and Iraq without a Christian around. God converted them Himself.

Deborah Simmons-Garcia :Your religion was not Islam either, the Muslims beat that into you. They are still killing many Africans today, and burned children alive just last month. Don't deny what you received. It is the command to witness, it has nothing to do with the slave master, it has to do with us loving others, just like I love you. We shared that wonderful joy and power with you. Don't cast that away; you may be sorry for that later. Islam is not African; Ancestor worship and witchcraft are African religions. As a matter of fact, when Mandela came into power, the witches and warlocks marched on the capital demanding that Witchcraft be made the national religion.

KL: I do believe that but my whole point is the Christians have done the same and worse from my research to force Christianity on people so that's why when looking at how they all got started, all of them are wicked so I chose to be a spiritual being instead of a religious person

Deborah Simmons-Garcia Christianity did not start with wickedness, unless it was our own that Jesus died for. It was men's addition to the faith that brought the confusion. The bible says don't add or take away from God's word. When people began to do this it caused the problems, that's why we go back to what Jesus said, and who he said it to and follow. We get the same wonderful results. It's not just wisdom and knowledge, but it certainly is needed. We are told to rightly divide the word of God so as to get the true understanding. Catholicism is not Christianity, but paganism, created for the pagans in Rome at that time. The Catholics Fathers did not want people to know the truth. Because of the absence of God in their religion they had no problem with persecution, killing even Bible translators and burning Bibles for that matter.

KL: Well if you look up Constantine and the Nicene council it will tell you the whole process they took to start what we call Christianity based of the first white Pharaoh of Kamet named Serapis Christus, who they basically used as a picture of so called Jesus

Deborah Simmons-Garcia They likely did, because the Catholic Church is pagan, and not Christian, hence the idols. They called themselves Christian to stop the persecution of Christians, but incorporated the paganism to keep the pagans happy. Though they said they were stopping the persecution of the Christians, they only persecuted them worse because they would not accept this new church as the true church. Then they renamed some of their Gods to be the persons in the Bible and set up statues. Like Jesus and Mary. Mary is Diana, or Samurais. Read the Gospels Ke, and read the book of Acts. This will give you a better understanding of what happened then. Rome did not create Christianity, they defiled it.

KL: I know they didn't create it, but the Christianity I see today is the same Christianity the made

Deborah Simmons-Garcia The Catholic Church confused who God is and the whole set up. They created the Trinity. The Bible says that God is ONE. God is a Spirit, not three persons. Many of the churches that left the Catholic Church and came to America are still deceived on that point.

Deborah Simmons-Garcia All of these are dead, and I don't recall any of them claiming virgin birth. Buddha does not claim virgin birth, he had a father and never claimed to be a god. They do not make the claims that people sowing dishonesty are trying to deceive. It is clearly an Anti-Christ Spirit. The pharaohs, who are several of the names you have up here, claim to be God, but they are all dead, and did not claim to be virgin born, and are dead and don't communicate with the living. Jesus is Special. Resident within Jesus Christ is the Spirit of God Almighty. Read Revelation.

Deborah Simmons-Garcia Just as I told you, many of the Muslim people have said that Jesus has spoken to them, and come to them in a bodily presence of great light. No other can claim this.

KL Well just like Jesus was reincarnated these Gods were, the soul doesn't die the body does that's why I don't believe in hell and heaven after death, we are all children of God which makes us all Gods. Jesus, which wasn't his name, would want us to know that we could be just like him or better and not be worshipping him and calling him the creator.

Deborah Simmons-Garcia Jesus was not reincarnated; he was raised from the dead

just like I was. He was recognized by over 500 people. If you're reincarnated, no one will recognize you because you come back as someone else or something else. Now Jesus did say we are Gods, which I think has to do with our great abilities over the rest of the animal kingdom and ability to enter into the spirit realm, but it will not save us from hell. You were already saved from hell as long as you don't reject your salvation. Jesus said we can do greater things than He did, but not that we could be greater than Him, no student is greater than their teacher, he said. We worship not the body, but the Spirit within him and thank him for the body that brought the sacrifice. Jesus is God incarnate, that is why he was called Immanuel, or God with us. The Scripture says God was in Christ, reconciling the world to Himself. He is the image of the invisible God. In the Book of Genesis, if you read it in Hebrew, you will find in verse 1, where it says Aleph-Tav, or Alpha -Omega, or Beginning and the end. In the Book of Revelation Jesus said He is the beginning and the end, the Almighty. In Hebrew, His name is Yeshua, in Greek it is Ioseus, and in English it is Jesus.

KL If Jesus was god, then why did he say he came here to lead you to the father and not that he was the father people just look at his abilities and be so amazed that they think he has to be God because of what he did, NO, he had a mission on this earth just like everybody else

Deborah Simmons-Garcia Jesus said, I and my father are ONE, and when you've seen me, you seen the Father. I don't know any person you can look at and truly say you are one to the point that when you look at them, you are truly seeing the other person. john 14:9 Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father?

God is a Spirit, and they that worship Him must worship Him in spirit and in truth. The Apostle Peter said that mankind must, "repent and be baptized in the name of Jesus Christ for the remission of sins and be filled with the Holy Ghost. Acts 2:38.
