

Dreams: Prayers, A Black Tie Affair

Posted by YADAELROIY on AUGUST 16, 2016

I had a dream that I was living in a glass room and outside it was dark and much rain had fallen. A person I know was sliding on a garbage can lid into the street. The street was 1960, or Cypress wood. I asked where she was going. I heard the reply, "To face God". The number 1960 could be "To the LORD, advocate for mankind in the Spirit, or pray for mankind. A tree, which Cypress wood could represent, could be as with Nebuchadnezzar, in Daniel; being a tree that can provide a rest and shelter for others.

As It began to fade, I heard, "The pray-ers shall be protected". Not many prayers, but those who pray them. If you are a praying Christian, keep up the good work, we will know in the end the things that the LORD Jesus Christ has used our prayers for.

In this second dream, I saw people sitting at a head table as in a banquet all dressed up. There were servers to the side waiting to serve them. In the front in the corner of the room, I saw a translucent figure like a man or garments of a man almost hanging in air to the left. I heard the words: THEY'RE GOING TO EAT IT.

Once the church was strong in the community, and the very most of them stood for what was in the Bible, the Word of God. Not many scandals, and Christians always behaved differently from those who were not Christian and most times, looked and talked different. However I believe this dream means that even the preachers will began to teach false doctrine, and the people will eat it. The Bible does say there will be a great falling away.

[2 Thessalonians 2:1-3](#) This lets us know in the Bible that Jesus will return after an enduring time of these occurrences.
