

ADREAM:

The day before The supreme court ruling on Homosexual Marriage, I fell asleep and dreamed that I was standing on driveway of a man called "Country". Country is dead. The LORD was standing beside me in black but jagged apparel. Suddenly a very tall man with a big head appeared before me with a very tall, bottle of an alcoholic beverage, the tallest I have ever seen. He went to the left of me as though to walk up to Country's house.

Not knowing what to think, I immediately began to plead the blood of Jesus and rebuke the devil. The man in the dream I immediately recognized as a homosexual, the tallest one I have ever seen proceeding to go to enter into the house belonging to Country. (This country I assume is the United States of America.)

Later I heard the LORD say, "I have a plan." I saw several fingers, and the word plan, had incorporated also the word victory, as though it was two words in one.

Later when I awoke, I saw the error that the US Supreme court has perpetrated on our country.

Imagine men, again, thinking they are Gods so great that they would willfully and openly go against God's word. As though this will make it right now or something.

Though the homosexual revel and celebrate, THE LORD HAS A (VICTORY) PLAN.

Genesis 18:32 KJV And he said, Oh let not the Lord be angry, and I will speak yet but this once: Peradventure ten (RIGHTEOUS) shall be found there. And he (the LORD) said, I will not destroy it for ten's sake.

PUTIN CRITICIZED

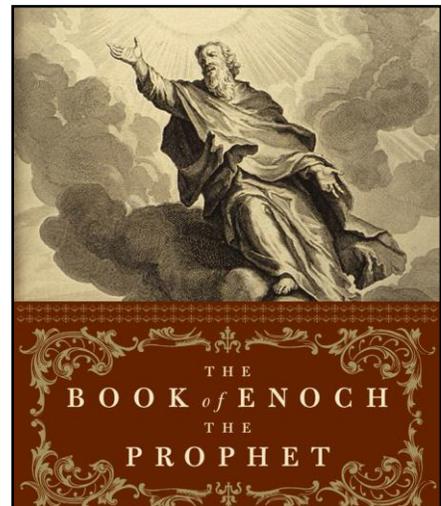

AMERICA FOR ABANDONING GOD AND CHRISTIAN VALUES THEN THIS

After Vladimir Putin of Russia criticized the Supreme Court ruling on homosexual marriage, (ABC NEWS reported) Putin sent bomber planes off of the coast of America, on California and Alaska on the Fourth of July. Perhaps he thinks like King Sennacherib, the king of Assyria to King Hezekiah, who said "The Lord himself told me to march against this country and destroy it." 2 Kings 18:25. Perhaps all of the enemies of the LORD will receive as he did when Hezekiah "tore his clothes and put on sackcloth and went into the temple of the Lord." 2 Kings 19:1 America get serious! The Bible lets us know what apathy to the things of God can bring to his people. It is high time for God's people to pray for the will of God to be done here in America. We must stop the partying for a moment and humble ourselves and pray, seek God's face and turn from our wicked ways. Then God will hear and heal this country.

In the book of Enoch which is a part of the Jewish Canon and mentioned in the Bible, it is said that the LORD punished the stars that refused to sing together, and shine when they were commanded to. Now this may seem crazy to you, but then you didn't create the stars, and therefore do not know the purpose for their creation.

It is the same with people, and what man was created for. All were created to bring pleasure to the creator by performing specific functions. Though we feel compassion for people in certain situations, it should not cause us to root against the purpose that was set forth in creation. The scripture says, can two walk together except they be agreed. Can you walk with God, and not agree with Him? But then, mankind did not create any living thing.

A RIGHTEOUS KING JOINING A WICKED ONE

If we join our hand to wicked men, will the LORD see we also as wicked? A seemingly good king joining a wicked one.

1Kings_15:24 And Asa slept with his fathers, and was buried with his fathers in the city of David his father: and Jehoshaphat his son reigned in his stead.

1Kings_22:2 And it came to pass in the third year, that Jehoshaphat the king of Judah came down to the king of Israel.

1Ki_22:4 And he said unto Jehoshaphat, Wilt thou go with me to battle to Ramothgilead? And Jehoshaphat said to the king of Israel, I am as thou art, my people as thy people, my horses as thy horses. 2Ch_20:35 And after this did Jehoshaphat king of Judah join himself with Ahaziah king of Israel, who did very wickedly:

2Ch_20:35 And after this did Jehoshaphat king of Judah join himself with Ahaziah king

of Israel, who did very wickedly:

2Ch_20:37 Then Eliezer the son of Dodavah of Mareshah prophesied against Jehoshaphat, saying, Because thou hast joined thyself with Ahaziah, the LORD hath broken thy works. And the ships were broken, that they were not able to go to Tarshish.

Many of those who say they are Christian have also voted for this measure as though they were more pious than the God they say they serve. By voting for those who support and lobby for sin they have encouraged this infamous historical day of shame by the Supreme court against the will of the people. As though somewhere in the book they say that they follow, God has changed his opinion on what institution of marriage is, that God created. They find pleasure and solidarity in what the LORD found so vile that He destroyed two cities for. We are no longer a government by the people, and no longer a Nation Under God.

Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, Romans 1:21& 22

A DREAM

I saw people sitting at a head table as in a banquet all dresses up. There were servers to the side waiting to serve them. In the front in the corner of the room, I saw a translucent figure like a man or garments of a man almost hanging in air to the left. I heard the words: "THEY'RE GOING TO EAT IT".

It I was like a black tie event. Maybe a church or some organization where distinguished people were going to be served according to the menu this translucent figure is that would lead to the people to a lack of life that is having faith in spiritual things and instead to the things that lead to death spiritually speaking, wanting to be and look more like the world.

The church is too full of the world and worldly philosophy and worldly psychology and worldly dress and worldly failures in sin and love of money to wit that there are always these promises of great natural gifts instead of spiritual things of God.

Pastors who once demanded holiness will eat the ways of the world, and serve it to their people.
